

If you are an [Activekey user](#) - here are details on how to switch over to an eKEY:

We have assigned eKEY serial numbers (with the same PINs) to all current Activekey users, which will be ready to activate **starting November 7th and thru December 9th.**

In order to do that, we need to have an eKEY contract filled out and returned to us. (ekey contract available at http://www.scwmls.com/pdf/ekey_agreement.pdf)

Please let us know how you would prefer to have your eKEY activated by emailing keys@wisre.com with options 1, 2 or 3:

(1) I am comfortable loading apps, so an emailed authorization code with instructions, will do it for me, thanks

(2) I may need a little help so I would like a phone call with MLS staff. (Email and let us know when we can call - phone number and time/day preference)

(3) I know I will need help so I would like to schedule an in-person appointment with MLS staff. Let us know your Day/Time preference (we will make every effort to accommodate your first choice)

In summary, you will need to do 4 things:

- Send us an eKEY contract
 - Please sign and email back to keys@wisre.com or you can fax to 608-240-2801 (no cover sheet required)
- Download the eKEY app (FREE at the Google Play Store or Apple App Store)
- Authorize the eKEY app (get code from MLS)
- Turn in your old activekey (so you can get your \$50 deposit check.)

BEFORE WE CAN GIVE YOU AN AUTHORIZATION CODE - WE NEED THE SIGNED EKEY CONTRACT

*You can turn in the Activekey any time after authorizing the eKEY, as long as it is **BEFORE DECEMBER 31**, if you want your \$50 deposit refunded. Keys can be mailed or dropped off at the MLS office.*
